

SCUBA DIVERS

BAGGAGE GUIDELINES PER PERSON

Our baggage requirements are important for the safety and security of passengers and crew. Baggage must be portable; each piece easily and quickly moved by crew members as needed.

We ask for your cooperation regarding baggage transport. We will do our best to accommodate your baggage and ask for your assistance. We understand the special needs for the transport of scuba equipment. Please follow these guidelines for size and weight.

GENERAL BAGGAGE GUIDELINES

Baggage Guidelines per Person

Two pieces of baggage

50 lbs. maximum each baggage

Baggage must be within the dimensions of 23"x23"x37"

One carry-on bag to be stowed under the seat

**Divers will be allowed
one extra piece of luggage
and one dive tank.**

*(Two-tank rig with a fixed manifold is
counted as one tank.)*

SPECIAL TRAVEL TIPS FOR CATALINA SCUBA DIVERS

- We recommend a "tank strap with the handle hold" for your carrying convenience.
- Medium Size Stanley or Husky Boxes and Pelican Cases that fit 23"x23"x37" at a maximum 50 lbs. are acceptable.
- The largest Stanley or Husky Box must be kept under 50 lbs. and although within the dimensions, be able to be stored on end if necessary.
- Two-wheel dollies are acceptable to assist transporting luggage. Two 50 lb. luggage bags can be placed on the two-wheel dolly. Each remote luggage cannot be larger than 23"x23"x37" and weigh no more than 50 lbs. Total weight on the dolly cannot exceed 100 lbs.
- Spear guns and pole spear tips must be covered or removed.
- Soft dive bags with wheels are good for travel on the boats.
- Weight belts may cause your luggage to exceed the 50 lb. maximum, and therefore **MUST** be carried aboard. Use a weight bag or wear the weights. We recommend the soft weights.
- We recommend a backpack for your most important items (i.e. log book, computers, mask, regulator) which can be carried aboard.
- Consider gear rentals from on Island suppliers.
- All non-baggage items travel at owner's risk.
- One diver tank and rebreather allowed per diver.
- No four-wheel carts or fixed wagons.
 - *Four wheel dollies or hand trucks that convert onto two wheels are permitted. Must be converted onto two wheels before going down the ramp and through the duration of the boat ride.*
